Brad Pearce

Brad Pearce is Managing Director of CATERed and also regional chair of LACA's South West Region. Brad was also the project manager for the Small Schools Project for the School Food Plan office in 2013/14.

He has 34 years local government service, working in diverse services such as trading standards, non-teaching personnel, client services for cleaning and DSO experience in Devon across catering, cleaning and grounds maintenance. He's also been a pub landlord in sunny Weston-Super-Mare!

CATERed is the country's only cooperative school food provider. Formed in April 2015, CATERed is a company limited by share and jointly owned by 67 schools across Plymouth and the city council serving 2.5 million meals each year. CATERed are the current holders of LACA Catering Business of the Year 2016, Cost Sector Education Award 2016, EDUcatering Magazine Local Authority Caterer of the Year 2016. CATERed also supply the City's Community Meals Service 365 days each year.

Richard Sprenger

Richard Sprenger is Chairman of Highfield International and a food safety expert and author of a number of books and many interactive training presentations on the topic of food safety and hygiene. His commentary on food safety has featured in media in Middle East publication such as The National and the Khaleej Times.

He contributes regularly at events such as the Dubai International Food Safety Conference, which is held annually and also speaks at events such as the annual Food Chain Conference in Doha.

Richard is committed to improving global food safety and assisting food businesses, governments and enforcement officers implement the highest standards - based on science - to minimise the risk of foodborne illness.
