

LACA North West BBQ social event was on the 4<sup>th</sup> July, it was well attended, teams were selected and there werer games that all could participate in.

The weather was fabulous this year, possibly **too hot!!**

There was fun and laughter and a great deal of competitiveness amongst everyone

Entertainment was provided by Luke Smith, he sang American songs and kept everyone entertained, he was excellent.

A big thank you to all the adjudicators who officiated on the games.
