

The NHS says that washing your hands is a key part of preventing the spread of coronavirus (COVID19). This can put pressure on existing hand washing facilities.

# Introducing the IMC Mobile Hand Wash Stations

The IMC Mobile Hand Wash Stations provide a simple, hygienic and easy solution to ensure hand washing is carried out by staff and children

## F63/250 - IMC Mobile Hand Sanitising Station

The IMClean Mobile high capacity Hand Sanitising Station helps to keep people healthy when they're outside the home.

The tap dispenses gel via foot action, ensuring hygienic operation, with no need for hand contact.

Ideal for entrances to Supermarkets, Restaurants, Pubs, Coffee Shops, Doctors, Dentist, Reception areas, Offices and many other venues.

- ✓ The foot-operated unit does not require water or mains electricity to operate, ensuring easy placement around your premises.
- ✓ Designed to hold up to 5 litres of sanitiser gel.
- ✓ Large capacity reduces how frequent the sanitiser gel needs refilling, freeing up staff to concentrate on other jobs.
- ✓ Tap dispenses gel via foot action, ensure hygienic operation, with no need for hand contact.
- ✓ Designed for indoor or outdoor use
- ✓ Handles make it quick and easy to move the Sanitising station.
- ✓ Constructed from sturdy and hygienic stainless steel, making it easy to wipe clean.
- ✓ For security the station has a tethering point and a lockable cupboard for housing the sanitising gel.
- ✓ A4 Clip frame - easily customise with your message or logos.
- ✓ Not supplied with hand sanitising gel.
