LACA WALES SCHOOL CATERING TEAM OF THE YEAR

Sponsored by Harlech Foodservice

This award aims to give recognition to a primary or secondary school based catering team which has made an outstanding contribution to raising the profile of their individual school catering service within the school and/or its local community.

The winning school team will have demonstrated

- improved and changed daily service
- evidence of the positive impact of the changes
- commitment and effort in devising and/or implementing activities which increase awareness of and support the school's food service, whilst maintaining Healthy Eating in Schools Regulations.

A consistent level of professional standards in day to day work will be taken into account as much as originality and creativity.

Candidates should seek to highlight the aims behind any ideas, outlined through the use of examples and visual illustrations of how the plans were put into action and provide evidence of the achievements or results. Partnerships with stakeholders, and any other relevant awards or accreditations should be included in the submission.

This high profile award represents a significant accolade for a school catering team whose performance has pushed the promotional boundaries and made a major impact on customer attitudes or uptake of its school's food service.

Submission Requirements

- Up to a maximum of 1000 words (word count must be shown)
- All entries to be submitted electronically and in PDF format
- Letter of support from Headteacher
- No more than 12 pictures in the total submission
- Support information not to exceed 2 x A4 single sided sheets

LACA WALES REGION OUTSTANDING SUPPLIER OF THE YEAR

Sponsored by LACA Wales Region

This award is in recognition of a LACA Partner or Associate Member who has consistently maintained the highest level of support and service excellence to the Welsh Education Catering sector.

The winning supplier will not only have demonstrated a fundamental appreciation of the requirements of local authority catering in Wales, but has also shown an exceptional commitment, degree of loyalty, active involvement and an immeasurable contribution to the future development and growth of education catering. The activities of a key member of the organisation may be equally considered suitable criteria for this award, through individual support to local authority catering above and beyond the job role.

The winning supplier may be a dynamic force in the workplace that regularly handles challenges with positive and workable solutions. Other winning attributes to be considered would be a friendly, helpful sales force, customer service, sustainability and efficient business sales and distribution systems.

This award is open for school meal providers to nominate a supplier/manufacturer company or one of its departments, divisions, or individual employees. The category is also open to suppliers and manufacturers themselves to put forward their own company, a department, or an individual for consideration.

Submission Requirements
