WHY ATTEND...

School food is an emotive subject – LACA has been the voice of the industry for more than 35 years.

Come along and **meet the experts in school food** – operators, suppliers, industry experts and the best school chefs in the country, who will be able to chat to you about what is 'actually' happening in the industry on a day to day basis and, importantly, the challenges they are facing.

This is your opportunity to speak to school caterers about their experiences and, that even in the midst of the cost of living crisis, how they ensure that children get fed hot, healthy and nutritious meals - and of course you will be able to **enjoy mouthwatering tasters from school lunch menus** before leaving with a goody bag of tasty items and great school lunch recipes for you to try at home.

We hope you are free to attend and join in the conversations, so together we can make a difference to children's lives.

Please confirm by email if you are able to attend to
admin@laca.co.uk

We look forward to serving you a great school lunch!
